SUMMER IS COMING!

Don't look now (or do look now), but Summer 2013 is right around the corner! This means that camp is coming up fast, and it also means that YOU (yes, you) need to go ahead and sign up for summer camp if you want to grab a spot! Applications are available online at www.coppercannon.org. Just go down to the box that says "Forms/Apps" or go to any of the pages with that title and you will have everything you need to apply. This summer will be the 50th anniversary of Copper Cannon Camp and it is sure to be the best one yet! So dig those camp t-shirts out, put on your GaGa jersey, find yourself a good s'more stick, pack your bag and get ready for the best week of your life. We can't wait to see everyone again!

CALLING ALL RANGERS

If you are 13-15 years old, you're a Ranger! This means a whole array of new activities is available to you. Consider signing up for RHA Backpacking – where you go on multi-day hiking trips through the mountains. Or the always awesome Mountain Biking camp. Of course, if you love traditional camp, you can always sign up for the Ranger Week teen camp. Apply today!

Did you know the hottest temperature ever at camp was 95 degrees in 1977? The coldest ever (during winter of course) was -40 degrees in 1979.

AUCTION SUCCESS

As it always is, Copper Cannon's annual fundraising auction was a huge success! We raised enough money in one night for 90 more campers to come to camp this summer. Special shout-outs go to all of our wonderful campers who volunteered to help out at the auction, especially Brad Harmon, who gave an excellent speech in front of about 300 people!

STAY CONNECTED!

Wish you could know what is happening at camp all the time? No problem. Just like us on Facebook and you will always be "in the know." It's the best spot to chat with friends and staff members from the summer, see photos, hear the latest news and remember great times. Search "Copper Cannon Camp" on Facebook, "like" us and tell all your friends!

MEET THE STAFF NEWBIES

Get to know some of the new faces you'll see this summer

ALICE WARREN
UNITED KINGDOM

Alice is an excellent photographer, and enjoys both digital and "old-fashioned" cameras! She also loves kayaking, swimming and cycling. Look for Alice's smiling face this summer when you come to Copper Cannon!

JOSH HAMMOND
UNITED KINGDOM

As you can see from his picture above, Josh loves playing the guitar! He also enjoys swimming, hiking and mixed martial arts. He was voted "Nicest Guy in the Universe" in his old school's yearbook - that's quite an accomplishment!

CHARLIE GARDINER
UNITED KINGDOM

Charlotte, or "Charlie" works at The Disney Store (how cool is that?). She is really into acting, drama and theater activities. Charlie is also a good singer. She is very excited to become a part of the Copper Cannon Family!

Did you know Copper Cannon has been at its current location for 36 years?

BACK IN BUSINESS

A lot of staff members love Copper Cannon so much that they can't help but return each summer. Here is what some of the returning staff members said they are looking forward to most!

Toni: "I can't wait to hike with the campers around the beautiful White Mountains & look up at the amazing night sky"

Adrian: I'm excited to joke and play games, get out of the city, see all my old and new friends, and to have just as much fun as last summer.

Chris: I'm looking forward to many things this summer, from hiking to campfires. I'm looking forward to seeing the all the happy returning campers but also meeting a bunch of new ones!
