

## The kids will be the winners at the 47<sup>th</sup> Annual Copper Cannon Auction March 2nd, 2019

A week of camp can and does make a difference. For some, it will last long after the embers of the last campfire are gone. Those memories of camp can provide the strength to get through difficult times. As a teacher wrote:

*With a target age range of 8-12 year olds we, at Bakersville Elementary School and Southside Middle School, have children returning to Copper Cannon for many years, giving them the gift of stability and allowing them to build long lasting friendships.*

*Attesting to the success of this experience, there are many younger siblings of campers who count the summers until they are old enough to begin their own Copper Cannon experience. Copper Cannon is a 'buzz' word at my school. Students start asking about camp sign ups in January just to make sure they can return!*

The founder of Copper Cannon Camp, Hamilton Ford, never forgot the significant impact of his adventures as a young boy at a summer camp. Camp offered him an outdoor experience, new friends, and a retreat from poverty. That life-changing experience eventually led to his founding of Copper Cannon Camp in 1963. From its humble beginnings in an old Franconia ski lodge to its present location on 128 acres bordering the White Mountain National Forest in Bethlehem, Copper Cannon Camp continues to embody Ham Ford's commitment to provide low-income young people with life-enriching camp experiences. Ham would be proud of the impact Copper Cannon Camp continues to have.

Copper Cannon Camp has served over 22,000 young people while consistently offering New Hampshire's low income youth the opportunity to experience the wonders of living close to nature and in a supportive community. Last summer, the almost 500 youth who attended Copper Cannon came from every part of the state representing 80 different cities and towns. Teens also participated in one of our three leadership retreats.

Each week, we will post an update of the wonderful auction items donated.

## *Some of the great donations to date:*

### **Call of the Loon**

The mountain is calling you – answer it with your bid at this year’s auction for a Loon Mountain New England Gold Season Pass. The Gold Season Pass makes you eligible for skiing **every day of the 2019-20 winter season. No restrictions, no blackout days!**

You receive a major discount on one-day lift tickets being able to purchase an additional six lift tickets at \$69 each. It also gives you discounts at retail ski stores, ziplines and discounts at several other related ski resorts around the country. This is one heck of a value.

### **Cannon Mountain Steps Up!**

How about a season’s pass at Cannon? What a wonderful donation from the mountain campers see every day during meal times. If that does not get you excited, Cannon also donated four Discovery Passes to be used during the summer months.

### **New England Ski Museum Private Tour**

The New England Ski Museum will offer a private tour of their warehouse at Cannon Mountain. See over a thousand pairs of skis and other skiing memorabilia through the years. What is on display is only the tip of the ice berg! A great experience for any ski lover.

### **Not Sure What You Want?**

We have a wonderful collection of gift certificates and the numbers are growing.

### Stay Warm with Pendleton Mills

Pendleton Mills has donated an assortment of wonderful blankets, shirts and a limited edition Harry Potter scarf. <http://www.pendleton-usa.com/>

### Enjoy the Show!

Two tickets to a production at the beautiful 840 seat Palace Theater in Manchester. If you are lucky, you might even see one of the ghosts who may be residing in the building. [www.palacetheatre.org](http://www.palacetheatre.org)

### Washer & Dryer-Electric OR Gas Speed Queen Commercial

Are you sick of people giving you funny looks when you enter the room? Ever wonder why they all plug their noses, eyes start watering and they run away? Well, you smell. You smell because your clothes smell. And they smell because they're saturated in dirt. Want to relieve every one of your fragrance? Then support Copper Cannon and buy our washer and dryer package and be the talk of the town. This washer and dryer combo is a deluxe duo. The dryer has an extra large capacity being able to hold up to 18 lbs. Having clean clothes will make you so happy you'll want to shower. Donated by Laundry Service Corporation.

### Time to Play!

New Hampshire has Canobie Lake Park, and Santa's Village. So do we! Take your choice of one or all of these great amusement parks for family fun and a day of rides.

## Got the Travel Bug??

Jet Blue Airlines has provided two round trip tickets any direct flight from Boston! Here is your chance to go somewhere warm!

## A Day on the Vineyard?

How about a quick trip to Martha's Vineyard? We can help. Hi-Line Cruises have donated tickets for two.

## Not Just a Bag of Rocks!

A wonderful donation from Lloyd's Journey and Village Jewelers. Lloyd has come through with two buckets of valuable gems, minerals, jewelry and more! It is going to be a great addition to the Copper Cannon Auction. Thanks for helping change a child's life.

## Fly Fishing Adventure

Jake is back with a new adventure! Spend 6 hours on one of Massachusetts most productive rivers fishing for trout: the Swift River. Wildlife is a common sight, especially deer swimming across the river and eagles flying above. The Swift River produces most of the trout caught in the state and multiple state record fish hold in the pools and pockets. All equipment included with the possible exception of waders.

## Stay at the Mountain

Within walking distance of the Mittersill Lift and the Taft Training Slope, we have a week at the Mittersill Alpine Resort for you to enjoy. With Baron's Pub, hot tub, and Jacuzzi, the resort has everything you could ask for after a hard day of skiing. <http://mittersillresort.com>
