Copper Cannon Camp's 49th Annual Auction

New Hampshire's only free summer camp, Copper Cannon Camp, is hoping you will be part of our biggest fundraiser of the year. Due to COVID concerns, this year will be an “on-line” silent auction and an “on-line” live auction!

The camp experience can change the lives of those lucky children who take part in the Copper Cannon adventure. Youth need summer camp more than ever and it is up to us to help them.

Mark your calendars for March 6, 2021
joining us from your living room!
