

## The kids will be the winners at the 52nd Annual Copper Cannon Auction

Through the funds raised with this wonderful event, 80 children will be able to receive the gift of summer camp. Help make a difference in the lives of tomorrow's leaders.

A week of camp can and does make a difference. For some, it will last long after the embers of the last campfire are gone. Those memories of camp can provide the strength to get through difficult times.

*Copper Cannon opened my eyes to outdoors which is still a huge part of my life today. It kept me off the streets and potentially ending up where a lot of my friends did, either in jail or in some cases even ending in death. It allowed me to be a kid forgetting about the troubles in my life such as my alcoholic father. Copper Cannon was my home away from home in the summer and I am sincerely grateful for every bit of the experience.*

**We want to give other children the gift of camp.**

Copper Cannon Camp has served approximately 26,000 young people while consistently offering New Hampshire's low-income youth the opportunity to experience the wonders of living close to nature and in a supportive community. Last summer, the over 400 youth who attended Copper Cannon came from every part of the state.

If you would like to join us at our live event, tickets are going fast.

**Tickets to  
Live Event**

**Register for "on  
line" Auction**

Stay tuned as next weekend we will be linking our “on-line” website to see all the great packages.

## *Some of the great donations to date:*

### **Sea in your blood?**

Six hours of fun on a luxury pontoon boat for six will give you a chance to explore Squam Lake. This is the same lake where the movie *On Golden Pond* was filmed. The day on the water includes swimming, a barbeque lunch, and non-alcoholic beverages. You have to bring your own adult beverages!

If you would rather sail, we have a five-hour cruise for six out of Eliot, Maine on a 42 foot Manta blue water sailing catamaran. You will sail with two licensed captains having snacks and lunch provided. Again, you have to bring your own adult beverages!

### **Stay Warm with Pendleton Mills**

Pendleton Mills has donated an assortment of wonderful blankets. Stanley thermoses, bags and other surprises! <http://www.pendleton-usa.com/>

### **Vacations close to home!**

This year you can bid on a Vermont lake house for a week. This three bedroom, two bath house is located on Big Averill Lake with over 300 feet of shoreline. Big Averill is a trophy lake known for its Golden Trout. The house can sleep 8.

If you prefer the ocean, how about a stay in Jonesport, Maine? This newly remodeled cottage sleeps six being 50 yards from your own private beach. Four days of eating Maine lobsters watching the sunrise over the ocean can be yours!

Of course, for those mountain lovers, a one week stay at Mittersill Alpine Resort is available. Styled after the villas of Austria, Mittersill is situated at the base of Cannon Mountain and an excellent location to explore the White Mountains.

## Marble Machine

A picture is worth a thousand words, but what is a video worth? Take a look at this work of art created by Jim Radmore. **Jim's Creation** This will become your favorite toy and a wonderful family heirloom. Jim comes up every summer to do pen turning with campers.

## Ruggles Mine

Ruggles Mine is open again! The new owners have graciously donated admission. The open pit mine includes tunnels and underground chambers. This was the first mica mine in the United States 200 years ago.

## Rek' lis Brewery

We are working out the logistics of this wonderful gift. It is looking like you will be able to help brewer and name a new beer to be sold at Rek' lis! This could be your chance to start a new career. If not, you will learn the brewing process and maybe a little marketing. It even gets better for Copper Cannon as Ian and Marlana are donating a number of other items!

We are working out the logistics of this wonderful gift. It is looking like you will be able to help brewer and name a new beer to be sold at Rek' lis! This could be your chance to start a new career. If not, you will learn the brewing process and maybe a little marketing. It even gets better for Copper Cannon as Ian and Marlana are donating a number of other items!

## Wonderful Artwork!

This Wounaan rainforest basket was hand picked by Chuck and Pat McLure on one of their trips in to Panama. The basket is 4 1/2 inches high with a 16 1/2 inch circumference.

“The master basket makers of the Wounaan and Embera tribes live in Panama, deep in the Darien Rainforest, near the Colombian border. It is through the magnificent baskets they create that they are able to stay on their land and preserve tribal cultures. These superbly woven baskets are works of art, sought out by museums and collectors. They are woven from fibers of wild palm trees and dyed with extracts of bark, leaves and fruits that are found in the rainforests. Motifs include pre-Columbian geometric designs as well as native birds, animals and insects that they encounter in their environment.”

## January Thaw

This amazing painting will be the highlight of your home! Bethlehem artist Rebecca Fullerton has generously donated this 20 x 30 oil on canvas painting.

## Bruins History

Nick Foligno autographed Bruins basic logo puck with Bruins Debut inscription. Comes with a Certificate of Authenticity! Foligno played his 1,000th NHL game March 15, 2022, a 2-1 overtime win by the Bruins against the Blackhawks at United Center. He and his father, Mike Foligno, joined Bobby Hull and Brett Hull as the only father-and-son duos to each have played 1,000 regular-season NHL games. His 500th NHL point was assist on Pavel Zacha's goal at 4:03 of the first period in a 6-3 win against the Arizona Coyotes at TD Garden on Oct. 15, 2022.

## Cannon Season Pass

You will be ready for the 2024-2025 ski season with your Cannon Mountain Season pass. Take advantage of everything our local mountain has to offer as you ride the tram to the top of the mountain!

## Be Scottish for a while

What are you going to wear today? How about a Utilikilt? It is an alternative to those cumbersome pants. With pockets and everything!

## Check out the Bling!

Again, this year! We have two limited edition Gary Goebel Mountain Biking vests...a his and hers. Be styling as you ride the trails this summer and celebrate our mountain biking program.

## Enjoy the Show!

Family Level lead membership at the beautiful 840 seat Palace Theater in Manchester. If you are lucky, you might even see one of the ghosts who may be

residing in the building. [www.palacetheatre.org](http://www.palacetheatre.org)

## Golfers Take Note

Maplewood Country Club has donated a round of golf for four, Russ Gaitskill has donated golf for two at the Profile Club with lunch, and thanks to Jake and Eric Raicle we have a Taylor-Made Club Fitting Experience! Take one or all.

## Call of the Loon

The mountain is calling you – answer it with your bid at this year’s auction for a Loon Mountain New England Gold Season Pass. The Gold Season Pass makes you eligible for skiing **every day of the 2024-25 winter season. No restrictions, no blackout days!**

## Weekend Get-away

How about a weekend get-away at **Indian Head Resort** for two? Enjoy the wonders of Franconia Notch with two dinners and two breakfasts. You don’t even have to do the dishes!

## Camper Families Too!

This wonderful 12 x 12 shadow box was made by a camper parent as a way of thanking Copper Cannon for what her child received last summer. It is great to see these families stepping up as well.

## Summer Staff Donations

A way summer staff give back is through donating to the auction sharing part of their culture. This year “Newt” sent us two hats from Finland. The hats are used when they jump in those holes cut in the ice!

### A Classic!

This year, Chuck and Pat McClure dug deep in to their collection and donated a hand-turned bowl. This work of art is a segmented bowl having 100s of pieces of wood glued together and then turned in to a magnificent bowl.
